Dear Yuka ,

Good afternoon. We are currently accepting reservations and we have many of the same hotels that the convention is offering at a discounted price. We also have discounted rooms at the surrounding hotels. Get your first choice with us. Keep in mind, room rates are always on a first come first serve basis.

Due to the high demand during show dates, the price advertised is not always the best available. Let us use our travel agent discount to get you the best deal possible!

If you have not made your reservations just let me know the # of rooms, the check-in/check out dates, and any other special requests.

*****Keep in mind, we handle accommodations for exhibitors attending about 90% of conventions thru out the U.S, Canada & Europe offering a Customer Loyalty Reward program. This means that you receive 5% off of your 2nd booking, 10% off of your 3rd, and 1 night free/per guest for your 5th.**
